

- **ISO 9001**

Protec GmbH is certified according to ISO9001:2015 please follow the below link to our Certificate http://protec-semi.de/protec_r_eng_21.pdf

- **REACH and RoHS**

As a distributor, Protec GmbH does not certify compliance with REACH and RoHS on behalf of their original manufacturers. Protec GmbH does encourage its manufacturers to make their environmental information available on their websites and works closely with its suppliers to provide its customers with relevant information / declarations available from its manufacturers.

- **Conflict Minerals**

As a distributor of electronic components, Protec GmbH promotes the traceability of these minerals and the transparency of the supply chain. Protec GmbH firmly believes that its customers should be fully informed about the products they purchase. While Protec GmbH, as a distributor, is not able to certify as to the country of origin of the minerals contained in the products manufactured by Protec GmbHs suppliers. Protec GmbH is encouraging all its suppliers to likewise support these efforts and make information on the origin of their product components easily accessible on their websites.
